Dear Dahlia Grower:

We take pleasure in presenting this list of Dahlia tubers, grown from tubers, and priced as low as possible. We would urge our customers to send their orders early and reserve for themselves good tubers of the kind they want. There are always some varieties in popular demand and supply is soon exhausted.

Prices are net to all. We propagate or sell no dahlia plants. All orders outside of Beetle Zone are certified by U. S. Agriculture Dept. Inspector.

We guarantee tubers true to name and deliver in good condition, healthy tubers with live eye or sprout if possible and will replace any tuber returned to us if not in growing condition 3 weeks after planting.

Shipment any time after March 1st, weather permitting. Terms: Cash with order. Check, M. O. or stamps.

Minimum orders \$1.00 postpaid to 6th Zone, add postage for 7th and 8th Zone.

Thanking you for past patronage,

Yours very truly,

**ROBERT F. HAUSSENER.**
